

# CORENET GLOBAL BRISBANE SYMPOSIUM

## SUSTAINABLE GROWTH IN SOUTH-EAST QUEENSLAND

SEBEL CITIGATE KING GEORGE SQUARE BRISBANE  
TUESDAY, 15 APRIL 2008

### Attracting Development, Maintaining Regional Growth, Sustainable Corporate Real Estate and Development Solutions for South-East Queensland

South-East Queensland is the fastest growing region in Australasia. It will, together with its Capital City – Brisbane, surpass the population of the Greater Melbourne Area and become the second largest region in Australia by 2020.

CoreNet Global is the world's largest real estate industry association. It has as its fundamental elements the objective to foster learning and understanding of the property industry needs for economic development and corporate real estate (CRE) management. These two elements go synonymously together to ensure sustainable growth, particularly in a diverse region like South-East Queensland.

The CoreNet Global Brisbane Symposium in April 2008 seeks to provide an insight into the coordination and innovation that is currently underway to ensure that "Sustainable Growth in South-East Queensland" is not just an objective, but a certainty for the future.

### DEFINITIONS

**End Users** are those individuals with real estate or real estate related responsibilities focused on the workplace or infrastructure management for public, private or governmental organisations.

These individuals shall be employed or contracted for by such organisation and shall receive their income as salary directly or by way of reimbursement from the organisation. The organisation shall utilise or lease real estate for their own needs, rather than utilise or lease real estate holdings primarily for investment or to sell or develop as a primary business function.

**Service Providers** are those individuals in professions and related real estate functions that serve the needs of the corporate real estate executive. Service Providers may include, but are not limited to:

- project managers, property managers, facility managers, site selection
- consultants, appraisers, commercial, retail and industrial brokers
- builders and developers, property tax consultants, architects, lawyers
- accountants and financial consultants, civil engineers and surveyors

To take advantage of the Special Offer, please complete the Registration Form.

### PRIVACY POLICY

The details you provide on your registration form are planned to be included in a Symposium Delegate List available to delegates at registration. If you wish only your name and organisation (without contact details) to be included please advise Iceberg Events (the Symposium organiser) with your registration or by email immediately following your registration.

### INSURANCE

Registration fees do not include insurance of any kind. It is strongly recommended that all Symposium take out their own travel and medical insurance prior to attending the Brisbane Symposium. The policy should include loss of fees through cancellation of Symposium loss of airfares for any reason, medical expenses, loss or damage to personal property and additional expenses and repatriation should travel arrangements have to be altered.

Neither CoreNet Global (including the Brisbane Chapter, and the Australia and New Zealand Region) nor Iceberg Events (the Symposium Organiser) will take any responsibility for any Delegate failing to insure.
