

CORENET GLOBAL BRISBANE SYMPOSIUM

SUSTAINABLE GROWTH IN SOUTH-EAST QUEENSLAND

SEBEL CITIGATE KING GEORGE SQUARE BRISBANE
TUESDAY, 15 APRIL 2008

Attracting Development, Maintaining Regional Growth, Sustainable Corporate Real Estate and Development Solutions for South-East Queensland

South-East Queensland is the fastest growing region in Australasia. It will, together with its Capital City – Brisbane, surpass the population of the Greater Melbourne Area and become the second largest region in Australia by 2020.

CoreNet Global is the world's largest real estate industry association. It has as its fundamental elements the objective to foster learning and understanding of the property industry needs for economic development and corporate real estate (CRE) management. These two elements go synonymously together to ensure sustainable growth, particularly in a diverse region like South-East Queensland.

The CoreNet Global Brisbane Symposium in April 2008 seeks to provide an insight into the coordination and innovation that is currently underway to ensure that "Sustainable Growth in South-East Queensland" is not just an objective, but a certainty for the future.

CORENET GLOBAL BRISBANE SYMPOSIUM

SEBEL CITIGATE KING GEORGE SQUARE BRISBANE | TUESDAY, 15 APRIL 2008

SPECIAL OFFER

Discounted Membership is available to non member Service Providers and End Users at a SPECIAL 50% discounted rate of \$300 (excluding GST).

Please note: This offer is not available to people who have been members of CoreNet Global within the prior 12 months

DEFINITIONS

End Users are those individuals with real estate or real estate related responsibilities focused on the workplace or infrastructure management for public, private or governmental organisations.

These individuals shall be employed or contracted for by such organisation and shall receive their income as salary directly or by way of reimbursement from the organisation. The organisation shall utilise or lease real estate for their own needs, rather than utilise or lease real estate holdings primarily for investment or to sell or develop as a primary business function.

Service Providers are those individuals in professions and related real estate functions that serve the needs of the corporate real estate executive. Service Providers may include, but are not limited to:

- project managers, property managers, facility managers, site selection
- consultants, appraisers, commercial, retail and industrial brokers, builders and developers, property tax consultants, architects, lawyers,
- accountants and financial consultants, civil engineers and surveyors

To take advantage of the Special Offer, please complete the Registration Form.
